2. This appeal has been filed by the State Government challenging the award passed by the Reference Court under section 18. This civil application is moved by a party - Sangmitra Sahakari Grihanirman Sanstha, Nashik. The land has been acquired by the government for benefit of the said society. They were not parties in the land reference. However, as ultimately the compensation is required to be paid by them, they have approached this court for joining them as

party-respondent since they are non only interested party but they would be affected. We find that they are necessary parties to the appeal. The application is allowed. The applicant be joined as the party-respondent. Civil application is disposed of accordingly.
